## ON TEST DAY

### Test Center Appointments

- Report to the test center at least 30 minutes before your appointment. If you arrive after your scheduled test time, you will not be permitted to test, and you will forfeit your test fee.

- Possession of or use of any phones, tablets, Chromebooks, wearable technology, and other electronic, recording, listening, scanning, or photographic devices is strictly prohibited in the test center at all times and will result in your dismissal from the test, forfeiture of your test fees, and cancellation of scores by ETS even if dismissal is not enforced on the day of the test. This includes, but is not limited to, accessing the device for any reason, including checking the time, making calls, checking for messages or any other reason at any time during the test administration, including scheduled, optional, or unscheduled breaks.
- Watches are not allowed in the test room. If you bring a watch to the test center, you will be asked to remove the watch and store it during the administration.

# About the ParaPro Assessment [www.ets.org/parapro/about](http://www.ets.org/parapro/about)

The ETS ParaPro Assessment was developed in response to the federal *No Child Left Behind Act*, which was signed into law by President Bush in January 2002. The Every Student Succeeds Act (ESSA), which has replaced NCLB, leaves these requirements in place. The law requires that paraprofessionals serving in an instructional capacity satisfy one of the following:

- An associate of arts degree OR
- Two years of college OR
- Demonstrate, through a state or local academic assessment, knowledge of, and the ability to assist in, the instruction of reading, writing, and math

The choice of test(s) to satisfy the third option is left to the discretion of states and districts.

The ParaPro Assessment measures prospective and practicing paraprofessionals' skills and knowledge in reading, mathematics and writing, as well as the ability to apply those skills and knowledge to assist in classroom instruction.

The Assessment is available in computer-delivered format only. **Please note:** the ParaPro Assessment is administered in English only.

## How the Assessment Was Developed

The ParaPro Assessment reflects research and professional judgment and experience of educators across the country. The 2½ hour test was developed with the assistance of an advisory committee composed of paraprofessionals and teachers who work with paraprofessionals. A thorough job analysis was conducted to determine what knowledge and skills in the areas of reading, writing and mathematics are important for paraprofessionals.

Each edition of the test is reviewed for accuracy, fairness and relevance many times during its development. After the test is administered, but before scores are released, each question undergoes rigorous statistical analysis to confirm that it is accurate, comparable to previous tests and fair to subgroups of test takers. These procedures meet and exceed the exacting standards of the professional measurement community and ETS's own Standards for Quality and Fairness.

The ParaPro Assessment is reviewed and updated on an ongoing basis to confirm that it provides the valid, reliable information states and districts need to meet legislative mandates.

## Establishing Qualifying (Passing) Scores

ETS does not set qualifying (passing) scores for the ParaPro Assessment. Each agency (state, district, or other institution) that elects to use the Assessment for purposes of qualifying paraprofessionals is responsible for establishing its own qualifying (passing) score. ETS offers to work with agencies to conduct passing score studies in accordance with recommended professional practices, as described, for example, in the *ETS Standards for Quality and Fairness* and the *Standards for Educational and Psychological Testing*, developed jointly by the AERA, APA and NCME. ETS's agreement with agencies using the ParaPro Assessment is that scores from the assessment not be the sole criterion for decisions reached by the agency. To view a current list of states and school districts that use the ParaPro Assessment along with their passing scores, please visit:

[http://www.ets.org/parapro/state\\_requirements/](http://www.ets.org/parapro/state_requirements/).

### If Your Primary Language Is Not English (PLNE)

Test accommodations (extended testing time) may be available for test takers whose primary language is not English. Test takers who meet ETS requirements will be allowed 50 percent additional testing time.

### How to Request Additional Testing Time

Your request must include the following:

1. A completed Certification of Documentation form (page 27) and ParaPro Registration Form (page 29). A business card, school seal, or school stamp must be affixed to the Certification of Documentation form.
2. A completed Eligibility Form for test takers whose primary language is not English (page 28).

All materials must be submitted together and received at ETS at least three weeks before the test date administration at the center selected. Incomplete requests and requests received on outdated forms will be returned to you unprocessed. All documentation must be approved before the test administration date. The Program will make every effort to evaluate all requests in a timely manner. If further verification of the professional's credentials and expertise relevant to the documentation submitted is needed, it is possible that testing will be delayed until the next applicable test date. Because of ETS's need to review documentation in order to provide accommodations, all test takers must register through ETS.

### Special Instructions for Completing the Registration Form

Mail the registration form, Certification of Documentation and Eligibility form to ETS Disability Services, P.O. Box 6054, Princeton, NJ 08541-6054

## Registration Information *(continued)*

or [disability.reg@ets.org](mailto:disability.reg@ets.org). Do not send payment with the forms to ETS; you will pay the test fee when you schedule your appointment. Once your accommodation request is approved, you will receive an email with registration instructions. Please wait for your email approval before registering for the test.

ETS recognizes the right of individuals to confidentiality with regard to documentation supplied by and about them that may be stored in files held by ETS and the concomitant responsibility of ETS to safeguard information in its files from unauthorized disclosure.

### **Reregistration**

If you have previously registered and your request for accommodations has been approved by ETS, you may request the same testing accommodations for subsequent test dates. Review your approval letter for instructions and testing options. If your approved accommodations have expired, **please follow the procedures outlined in the “How to Request Additional Testing Time” section on the prior page.**

### **Test Takers with Disabilities or Health-related Needs**

ETS is committed to serving test takers with disabilities or health-related needs by providing reasonable accommodations that are appropriate given the purpose of the test. You must submit your request and have your accommodations approved by ETS Disability Services before your test may be scheduled. Accommodations cannot be applied to a test that has already been scheduled.

Submit your request as early as possible, especially if you are requesting an alternate test format. ETS is committed to producing alternate test formats as quickly as possible; however, production times may vary. Documentation review may take approximately four to six weeks once your request and complete paperwork have been received at ETS. If additional documentation is requested, it may be approximately another two to four weeks from the time the new documentation is received until the review is complete.

### **Using Previously Approved Accommodations**

If you have received accommodations from ETS for another test (for example, the TOEFL® test, a Praxis® test, or a School Leadership Series assessment) and your accommodations approval is still current, you may request the same accommodations for a ParaPro test during the 2024–25 testing year without providing disability documentation. The accommodations ETS previously approved for you will be approved again if they are appropriate for the current test.

If you have received testing accommodations on another standardized test such as the ACT®, SAT®, GMAT®, LSAT® and/or MCAT®, etc., you may request the same accommodations for the ParaPro test during the 2024–25 testing year by submitting a copy of your approval letter. No disability documentation is required. The accommodations approved for you by another testing agency will be granted if they do not violate test construct or test security.

### **Reduced-distraction Setting**

Many test takers request a reduced-distraction setting. The testing centers are designed to have minimal distractions with each test taker assigned to an individual carrel with earplugs or headphones available upon request to further reduce environmental noise.

### **Pre-approved Personal Items**

Certain items are allowed in the testing area without prior approval. These include, but are not limited to, bandages, spinal cord stimulators, foot stool, lumbar support cushion, service animals and hearing aids/cochlear implant. However, if your hearing aids or cochlear implant have Bluetooth capabilities, accommodations must be requested. The full list of pre-approved personal items for use at test centers is available at <https://www.prometric.com/sites/default/files/Permissible-items.pdf>.

If you wear an insulin pump, you do not need to request accommodations unless your pump consists of two pieces (the pump which is attached to your body plus the transmitter used to program the pump)

or your pump is especially noisy. If the pump cannot be silenced and is likely to disturb other test takers, requesting accommodations is a good idea so you may be scheduled in a separate room. A continuous glucose monitor attached to your pump does not require prior approval; however, if you wish to have your glucose test kit in the testing area, you must request accommodations.

### How to Request Accommodations for a Disability or Health-related Need

To request accommodations for the ParaPro Assessment, follow the steps below:

1. Complete the *Testing Accommodations Request Form*.
2. Complete the ParaPro Registration Forms.
3. Determine if Disability Documentation is Needed.
4. Submit completed forms.

Detailed information regarding each of these steps is provided in this *Bulletin*.

#### **STEP 1: Complete the Testing Accommodations Request Form**

Complete the *Testing Accommodations Request Form* on pages 36–44 in this *Bulletin*.

#### **Part I — Applicant Information**

Complete this section and sign the Applicant's Verification Statement even if you are requesting accommodations identical to those approved for you by ETS previously.

#### **Part II — Accommodations Requested**

Complete this section even if you are requesting accommodations identical to those approved for you by ETS previously. If you are requesting accommodations other than those listed in Part II, you must describe them under "Other Accommodations."

#### **Accommodations for Health-related Needs**

Health-related needs are most commonly those affecting digestion, immune function, respiration, circulation, endocrine functions, etc., and frequently require only minor accommodations. Documented health needs include conditions such as diabetes, Crohn's disease and chronic pain. Minor

accommodations include but are not limited to: breaks for medication, snacks, beverages or glucose testing materials which are necessary during the test session.

Documentation for health-related needs should include a letter of support from a medical doctor or other qualified professional stating the nature of the condition and the rationale for the requested accommodation(s). Please note, handwritten documentation or a note on a prescription pad is not sufficient.

#### **Commonly Requested Accommodations**

- **Extended Test Time (all tests are timed)**
  - o 25 percent (time and one quarter) 50 percent (time and one-half) or 100 percent (double time)
- **Breaks** —The testing clock stops for breaks and does not affect your testing time. Breaks may be used for medication, snacks, trips to the restroom, etc. Some disabilities, by their nature, result in fatigue, the need for rest, and/or restroom breaks while not impacting the actual test taking. In these cases, breaks may be more appropriate than extended test time.
- **Assistance**
  - o Human reader
  - o Human scribe
  - o Assistance with check-in and spoken directions (only for applicants who are deaf or hard-of-hearing)
    - » Oral interpreter
    - » Sign language interpreter
  - o Assistance for note taking (only for applicants who are blind or have low vision)
    - » Braille slate and stylus
    - » Perkins brailler
- **Alternate Test Formats**
  - o Braille
  - o Large-print test book
  - o Large-print answer sheet
  - o Recorded Audio

# Registration Information *(continued)*

## Part III — Certification of Eligibility: Accommodations History

All applicants are encouraged to submit *Part III — Certification of Eligibility: Accommodations History* form which serves two distinct purposes:

- To provide verification of an individual's use of accommodations either in college or in the workplace
- As a shortcut for approval of certain specific accommodations for particular disabilities

### **STEP 2: Complete ParaPro Registration Form**

Complete the ParaPro Registration Form on pages 29–35 in this *Bulletin*.

### **STEP 3: Determine if Disability Documentation is Needed**

**DO NOT** submit disability documentation if you are able to use the COE as a shortcut for approval and/or you are submitting evidence of testing accommodations approval from ETS or another standardized testing agency. Submitting unrequired documentation will delay the review process. **For more information regarding documentation guidelines, please visit [www.ets.org/disabilities](http://www.ets.org/disabilities).**

**If you have a learning disability, ADHD, TBI, ASD, a psychiatric disability and/or a physical disability** and are requesting 50% extended test time (time and one-half) or less and/or extra breaks, you do not need to submit documentation if you are submitting a valid *Part III — Certification of Eligibility: Accommodations History*.

**If you are blind or legally blind**, you do NOT need to submit documentation if you are submitting a valid *Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- Screen magnification
- Selectable background and foreground colors
- Braille

- Large print (test book and/or answer sheet)
- Recorded audio
- Human reader
- Human scribe
- Braille slate and stylus for note-taking
- Perkins braille for note-taking
- 50 percent or less extended test time (time and one-half)
- Breaks
- 100 percent extended test time (double time) when also requesting braille, a human reader, recorded audio, or a screen reader

**If you are deaf or hard-of-hearing**, you do NOT need to submit documentation if you are submitting a valid *Part III — Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- 50 percent or less extended test time (time and one-half)
- Breaks
- Sign language interpreter (for check-in assistance and spoken directions)
- Oral interpreter (for check-in assistance and spoken directions)

### **STEP 4: Submit Your Completed Forms and Documentation to ETS Disability Services**

# On Test Day

## Identification (ID) Requirements

You are responsible for having valid and acceptable ID each time you test. It's your responsibility to bring the correct documents and to make sure they're up to date on test day.

**Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific section for acceptable primary and supplemental ID documents and allowed exceptions.**

- You are responsible for ensuring that the first and last names you enter into the Registration Information fields **exactly** match the name on the ID document(s) you present on test day.
- If the test administrator questions the ID you present, you may be required to provide supplemental ID. If positive confirmation cannot be made, you may not be permitted to test or your test score may be withheld.
- All test takers are encouraged to have at least two forms of acceptable ID each time they test. Prior admission to test based on a given ID document does not assure that that document will be considered acceptable. Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.
- Admission to the test center, or acceptance by a proctor for the at-home test, does not assure that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event that the ID requirements set forth herein are not met.
- You may be required to show your ID and/or to sign a test center log at various points throughout the test administration.
- Your test fees will not be refunded if you are not permitted to test or if your scores are withheld or canceled because of invalid or unacceptable ID.

## ID Document Requirements

With few exceptions, ID documents must meet *all* of the following requirements. Each ID document must:

- be an **original** document; photocopied documents are not acceptable and documents cannot be presented on a cell phone or any other electronic device
- be a government-issued national/state/province identity card that is recognized by the country in which you are a citizen or permanent resident
- be **valid**; expired documents (bearing expiration dates that have passed) are not acceptable
- bear the test taker's **first and last name** *exactly* as it was used when registering for the test
- bear a recent **photograph** that clearly matches the test taker
- bear the test taker's **signature**; the name and signature on the ID document must match
- See "Unacceptable Documents" on *page 18*.

**See Exceptions and Requirements on pages 18–19 if:**

- you are testing outside your country of citizenship
- you are not a U.S. citizen and you are testing in the U.S., including renewal of documents
- you have a multiple part last name
- you are in the process of renewing your driver's license
- you are in the military and your Military ID does not contain your signature
- you have been granted political asylum or refugee status
- you have *any* questions about the acceptability of your ID document(s)
- you are unable to meet the ID requirements

## On Test Day *(continued)*

### Acceptable Primary ID Documents

The following government-issued ID documents are acceptable for admission to a test center, or to the at-home test within your country of citizenship:

- Passport
- Passport Card (United States only — must be accompanied by valid supplemental ID)
- Driver's license
- State or Province ID card (including those issued by the motor vehicle agencies)
- National ID card
- Military ID card

### Supplemental ID Documents

- You may be required to provide a supplemental ID if the test administrator questions your primary ID document and/or if your primary ID document is otherwise acceptable but does not bear your full name, photograph or signature.
- Supplemental ID documents may not be used to resolve last name discrepancies. The last name on your primary ID must match the name on your admission ticket.
- If your supplemental ID does not contain a signature, you may present a second government-issued photo ID. If you cannot present two forms of government-issued, photo-bearing identification in the same name of the registration, you will not be permitted to take the test.

The following ID documents are generally acceptable as supplemental ID:

- **Government-issued ID card** (including, but not limited to, those listed under Primary ID Documents earlier in this section)
- **Student ID card**
- **Confirmation of identity letter from your educational institution.** This letter must be typed or printed on the original letterhead of the educational institution you attend(ed) and, in addition to meeting all of the ID Document Requirements listed earlier in this section, must

include your date of birth and the date issued. Additionally, a school official's signature and the school seal must be present and both must overlap your photograph. Such letters are valid for only one year from the date issued.

### Unacceptable Documents

The following documents are *not* acceptable as primary or supplemental ID under any circumstances:

- Any document that is photocopied or expired
- Any ID document presented at the center on a cell phone or any other electronic device except in the Republic of Korea, where some digital IDs are permitted

- Social Security card
- Employee ID card
- Temporary ID card, excluding driver's license, resident card, or employment authorization card renewals
- Diplomatic, consulate or embassy ID card
- Any document that is not recognized by a government agency
- Aadhar card

### **Exceptions and Requirements:**

#### **Testing Outside Your Country of Citizenship**

- You must present a valid **passport** with your name, photograph and signature as your primary ID document.
- If you are not a U.S. citizen and you are testing within the U.S., you must present a passport that meets all of the ID document requirements listed earlier in this section.

## On Test Day *(continued)*

- If your passport is not written in English-language letters, you must also present a supplemental ID that contains your name, a recent, recognizable photo, signature, and is in English. If you do not have a supplemental ID and the test center staff cannot read the language in which it is written, you may not be permitted to take the test.
- Diplomatic and embassy ID cards cannot be used as primary identification in place of a passport.
- The following documents may be acceptable for admission to U.S. test centers if presented along with an acceptable supplemental ID. If you are in the process of renewing the document and have the expired document in your possession, you may present it together with the government-issued renewal extension letter.
  - Permanent Resident Card/Resident Alien Card
  - Temporary Resident Card
  - Employment Authorization Card
  - Mexican Border Crosser Card (This form of ID may be accepted only at test centers within 25 miles of the Mexican border.)
- Driver's license renewal certificate — Temporary Policy for the **Philippines**. If your driver's license is expired and you have been issued a renewal certificate receipt, providing both documents together is acceptable as long as the name on the expired driver's license and the name on the renewal certificate are the same.
- **Testing in Canada** — A test taker who is not a Canadian citizen and cannot present a passport can be admitted to a Canadian test center with one of the following alternative ID documents. If the alternative document is missing your photo or signature, it must be presented along with a secondary ID, such as a driver's license, student ID card, letter of identity from a school or sponsoring agency, or Canadian Health Card.
  - Record of Landing/Permanent Resident Card (IMM1000)
  - Notice of Decision (for a Convention Refugee) or Refugee Protection Claimant Document (IMM1442)

### Multiple-Part Last Name

If the ID document you will present on the day of the test contains a multiple-part last name, your admission ticket must **exactly** match your ID. You cannot use a supplemental ID to resolve last name discrepancies.

### Driver's License Renewals

- If you are in the U.S. military and your driver's license has an official extension sticker validating that your driver's license has been extended, this can be used as supplemental ID along with your U.S. Military ID.
- If your driver's license has expired, but you present it along with your original Department of Public Safety renewal certificate, these two documents together are acceptable provided the names on both documents match exactly. If a provisional driver's license is issued in lieu of a renewal certificate, this is acceptable as a primary ID document provided it contains your photo, signature, and an expiration date.

### Military ID Without Signature

If your Military ID does not contain your signature, you must present a supplemental ID.

### Unable to Meet ID Requirements

If you have been granted political asylum, have refugee status or are otherwise unable to meet the identification requirements, you *must* contact the ETS Office of Testing Integrity (OTI) at least seven days *before* registering to test. You must receive approval from OTI before you may register. You should also be prepared to submit any requested documents to OTI for review before receiving approval. If you do not contact OTI before you register, and as a result you are not permitted to test or your test scores are withheld, your test fees will not be refunded.

#### On Test Day

- Test-related information written on ID documents, one's clothing and footwear, or on any part of the body is prohibited.
- The test administrator will assign you a seat.
- Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not permitted in the testing room while testing is in progress or during a break.
- Do not bring any phone, wearable technology, or other electronic, photographic, scanning, recording, or listening device into the test center. **These devices are prohibited. If you violate this restriction and are seen with any of these devices at the center, you will be dismissed from the test, your scores will be canceled, and you will forfeit your test fees.** If you are seen using or accessing any of these electronic devices and/or scanning or transmitting data including but not limited to text messaging, email, or photographs, your device may be confiscated or inspected.

- You may not have access to your personal items during the test including during a break except for food, beverages or medication. Storage space is limited, so please plan accordingly. Test centers assume no responsibility for personal items that you choose to bring into the test center.
- Watches are not allowed in the testing room; you will be asked to remove your watch and store it during the administration.
- The test administrator will assign you a seat.
- On occasion, weather conditions or other circumstances beyond the test administrator's or ETS's control may require a delayed start or the rescheduling of your test. If you anticipate inclement weather in your area on test day, check your test center's office or website and/or local news and radio station broadcasts for updates.
- The testing session is actively monitored by test center staff. This includes staff walking around, and entering and leaving the testing room.

- You will be required to read and sign a Confidentiality and Regulations Agreement at the test center. If you do not complete and sign the agreement, you will not be allowed to test and your fees will NOT be refunded.
- You are required to present acceptable and valid identification.

# On Test Day *(continued)*

## **Prohibited Items and Restrictions**

### **At Home Testing**

- No paper of any kind is permitted in the testing room. However, a hand-held whiteboard, whiteboard eraser, and up to three (3) dry erase markers of any color may be used for note-taking. You will be asked to erase all notes in view of the proctor at the end of the test.
- You must disable any screen-sharing or remote-access software (such as Zoom®, Skype®, TeamViewer®, Microsoft Teams® and Apple Remote Desktop™) before the test. It must remain disabled throughout the test.
- Make sure that the software will not open automatically during the test.
- You must be alone in a room with no one else entering during the test and all doors must be closed before beginning testing.
- You must remain in view of the proctor. You should avoid doing anything that may look suspicious, like talking out loud or looking away from the screen.
- Two tissues are permitted at the workstation, but must be inspected by the proctor before the exam starts.

### **Test Center Testing**

- You are required to remain in the test center building. It is your responsibility to ask the test administrator for permission to leave the test center vicinity — for example, to go to the nearest restroom. If you leave the test center without permission, you may be dismissed or your scores canceled. Any time lost cannot be made up.
- Watch alarms and clocks on cell phones or any other devices are not permitted.
- Early departure and sign out is permitted if you finish the test before the end of the test session.
- The test administrator will provide you with scratch paper for use during the test to assist you in working out problems and

for appropriate note-taking during timed sections of the test. You may not take your own scratch paper to the test. Scratch paper is not to be used before the test or during a break. During the test, if you have used all of your scratch paper, you must return it to the test center staff to receive more. You cannot remove a page or portion of the scratch paper at any time. All paper, in its entirety, must be returned to the test center administrator at the end of the testing session. You may not write on anything other than the scratch paper provided (e.g., computer or workstation or ID document). Scratch paper should NOT be used during the untimed sections or during a break. If you are observed using any documents or unauthorized papers other than the designated scratch paper distributed by the test site, they will be confiscated by the test center staff.

- For paper-delivered tests administered as an accommodation for a disability, test takers may use the test book for scratch work. Scratch paper is not provided except as an approved accommodation.

The following **additional** procedures and regulations apply to test takers who are taking the test with testing accommodations:

- Test takers must bring their letter approving testing accommodations along with acceptable ID to the test center.
- Test administrators cannot honor requests for schedule changes.
- No test taker will be admitted after testing has begun.

**ETS reserves the right to take appropriate action and/or notify appropriate authorities including, but not limited to, law enforcement authorities, if a test taker responds in a threatening or disturbing way to essay questions or communicates with ETS either verbally or in writing in a threatening or disturbing manner.**

**NOTE: ETS takes test security very seriously.**

## On Test Day *(continued)*

**Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible after the test to report any irregular behavior that is either observed or reported to you — for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence. Reports of cheating or fraud will be investigated thoroughly and offenders may be prosecuted to the full extent of the law.**

### **Dismissal from a Test Administration**

A test administrator is authorized to dismiss you from a test session and/or your scores may be canceled by ETS for actions such as, but not limited to, the following:

- Attempting to take the test for someone else or having someone else take the test for you.
- Failing to provide acceptable identification.
- Obtaining improper access to the test, a part of the test, or information about the test. This includes having test questions or answers in advance of the test administration and bringing preknowledge of test information into the test center in any form or on any item, including, but not limited to, identification documents, prohibited devices, or via any other item that may or may not be permitted in the test center.
- Using or having any phone, wearable technology, or other electronic, photographic, scanning, listening or recording device in your possession at the test center. Possession of or use of such devices at the test center is prohibited and will result in your dismissal from the test center, forfeiture of your test fees and cancellation of your scores by ETS.
- Using any aids in connection with the test, or other prohibited devices, such as: mechanical pencils, pens, scan pens or devices, pagers, except in the Republic of Korea, where some digital IDs are permitted, calculators, any watch, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, any phone, watch alarms (including those with flashing lights or alarm sounds), stop watches, dictionaries, translators, compasses, protractors, rulers, and any hand-held electronic, photographic, or recording devices.
- Creating a disturbance. Disruptive behavior in any form will not be tolerated. The test administrator and ETS have sole discretion in determining what constitutes disruptive behavior.
- Attempting to give or receive assistance. Discussion or sharing of test content or answers during the test administration, during a break, or after the test is prohibited. Communication in any form is not permitted during the test administration.
- Removing or attempting to remove test content from the test center. Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means (e.g., hard copy, verbally, electronically) to any person or entity.
- Bringing a weapon or firearm into the test center.
- Bringing food, beverages, tobacco, or electronic cigarettes into the testing room.
- Leaving the test center vicinity during the test or during a break without permission.
- Leaving the testing room without permission.
- You are not permitted to go outside the test center building unless it is to use the restroom during the test administration, including a break.

## On Test Day *(continued)*

---

- Taking excessive or extended unscheduled breaks during the test session. Test center administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.
- Referring to, looking through, or working on any test or test section, **when not authorized to do so**, or working after time has been called.
- Failing to follow any of the test administration regulations contained in this *Bulletin*, given by the test administrator or specified in any test materials.

ETS reserves the right to take all action — including, but not limited to, barring you from future testing and/or canceling your scores — for failure to comply with test administration regulations or the test administrator’s directions. If your scores are canceled, they will not be reported, and your test fees will not be refunded.

## Reporting Your Test Scores

If you test in Alaska, Arizona, Arkansas, Colorado, Connecticut, Delaware, District of Columbia, Hawaii, Idaho, Illinois, Indiana, Kansas, Louisiana, Maryland, Minnesota, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, North Dakota, Ohio, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, Virginia, or Washington, a copy of your scores will automatically be sent to that state's teacher credentialing agency.

## Your Unofficial Score Report

If you test at a Prometric test center or at home, your unofficial score will be sent to you by e-mail within one hour of test completion. If you test at a participating school district, institution, or education service center, your unofficial score will be available on-screen and can be printed at the end of your test.

## Your Official Score Report

For each test date, an official score report will be sent to you and one score recipient approximately 2–3 weeks after the test date. For a fee, you can request more than one score recipient. See “Additional Score Reports” under “Scoring Services.”

Your scores for a specific test will be sent to a designated recipient only if that school district or agency is eligible to receive those test scores. For exceptions, please see Confidentiality of Information (page 26). Official score reports will list your current score and highest score earned over the last 10 years.

Official score reports will not be released if you have an outstanding balance, which may include an outstanding balance for previous services from the *Praxis*® Program.

Scores from the current testing year will be available for reporting on Additional Score Reports for 10 years. Test taker background data will be retained for the same time period.

For more information about your scores, you may download *Understanding Your Praxis Scores* from the ParaPro website at [www.ets.org/parapro](http://www.ets.org/parapro).

## Questions That Do Not Count Toward Your Score

The test you take may include one or more questions that do not count toward your score. These “pretest questions” are new questions that are being tried out in actual test administrations.

Test takers are not told which questions are in this category, because ETS needs to determine how such questions function under actual testing conditions. Questions that are not scored may appear in some, but not all, ParaPro tests.

## Scoring Services

Official score reports will be mailed to you approximately 2–3 weeks after your test date.

## Additional Score Reports (ASRs)

### Fee: \$50 each

At your request, ETS will send your scores and reportable background information to additional school districts or agencies for each test taken over the last 10 years. You may complete your request by mail, phone, or fax. To request an ASR by mail or fax, download and complete the Additional Score Report Request form located on the ParaPro website at [www.ets.org/parapro/scores](http://www.ets.org/parapro/scores). Additional score reports are issued within seven business days for phone requests and 10 business days for mailed or faxed requests.

When you ask ETS to send additional score reports to school districts or agencies, you automatically authorize ETS to report your highest scores from all tests taken over the past 10 years.

The ASR will include your highest score for the test, but will not include the raw score information that is available on the original score report.

You will automatically receive a copy of your score report confirming that your score report was sent.

## Historical Score Records (HSRs)

### Fee: \$50 each

If you took the ParaPro test more than 10 years ago, but not before December 1, 2012, you can request that ETS send your scores to school districts or

## Scores & Score Reports *(continued)*

agencies by requesting a Historical Score Record (HSR). You may complete your request by phone, fax, or mail. To request an HSR by mail or fax, download and complete the Historical Score Record Request form located on the ParaPro website at [www.ets.org/parapro/scores](http://www.ets.org/parapro/scores). Historical score records are issued within seven business days for phone requests and 10 business days for faxed or mailed requests.

When you ask ETS to send historical score records to school districts or agencies, you automatically authorize ETS to report your highest scores from all tests taken since December 1, 2012.

The HSR will include your highest score for the test, but will not include the raw score information that is available on the original score report.

You will automatically receive a copy of your HSR confirming that your score record was sent.

### **Cancellation of Scores by ETS**

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS's standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score whether or not it has already been reported, and to take such other actions as ETS deems appropriate, including banning the test taker from taking any future ETS test and referring the matter to law enforcement authorities, when, in ETS's judgment: a testing irregularity occurs; there is an apparent discrepancy in a test taker's identification; the test taker engages in misconduct, including without limitation having someone else take the test for the test taker, obtaining improper access to test questions or answers, disclosing test questions or answers to third parties, plagiarism, or copying or communication; or the score is invalid for another reason. When ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled.

### **Testing Irregularities**

"Testing Irregularities" refer to problems with the administration of a test. Testing irregularities may result from actions of the test taker, test center personnel, ETS, or from man-made causes. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials [e.g., improper test forms], and defective equipment); improper access to test content and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score. When, in ETS's judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

### **Identification Discrepancies**

When, in ETS's judgment or the judgment of test center administrators, there is a discrepancy in a test taker's identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the test score if the documents or photos from the test day cannot be validated or if ETS has evidence that you did not appear for the test. If test scores are canceled by ETS, the test fees will NOT be refunded. ETS may also ban you from taking any future ETS test.

### **Misconduct**

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, ETS may decline to score the test, cancel the test and may ban you from taking any future ETS tests. Test takers whose scores are canceled will forfeit their test fees. If fraudulent activity is detected after scores have been reported, ETS will cancel scores and notify score recipients of the cancellation. Misconduct includes, but is not limited to, noncompliance with the Test Center Procedures and Regulations, on *pages 20–22* of this *Bulletin*.

## Scores & Score Reports *(continued)*

### **Invalid Scores**

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Substantial evidence means evidence that is sufficient to persuade a reasonable person; the substantial evidence standard is lower (i.e., requires less proof) than reasonable doubt, clear and convincing, and preponderance of the evidence standards. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns and inconsistent performance on different parts of the test. For test takers within the United States, before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted, and offers the test taker a choice of options. The options may include voluntary score cancellation, a voucher for future test or arbitration in accordance with ETS's standard Arbitration Agreement. The arbitration option is available only to test takers who test in the United States and U.S. Virgin Islands and Puerto Rico. If at any time before, during, or after a review of questionable scores, ETS finds that misconduct has occurred in connection with a test, ETS may treat the matter under its misconduct procedures; in that event, the options available under this "Cancellation of Scores by ETS" section or the "Testing Irregularities" section, as applicable, will not be available, even if those options were previously offered.

### **Confidentiality of Information**

ETS recognizes your right to control the information about you that is stored by ETS. Its policies are designed to safeguard your information from unauthorized disclosure.

Your score report is intended only for you and for your designated score recipients. However, background information as noted on the registration form is reported to some states and school districts. To protect your right to control the distribution of your scores, reports will be released only at your

specific written request and only to ETS-approved score recipients. Every recipient must be specified by you in writing on one of the designated forms or in correspondence. ETS will not release your scores at the request of institutions or agencies except:

- or use in research studies approved by ETS and that preserve your anonymity
- when information is required under compulsion of legal processes, in which case your score record and the documents you completed that are retained at ETS may be released to third parties, e.g., government agencies, parties to a lawsuit, etc., if requested pursuant to a subpoena, including but not limited to photos and documents completed at check-in on test day.
- when a state's central regents office or board of governors requests copies of scores that have been reported to its member institutions
- when test takers have been informed by the test administrator beforehand that their scores will automatically be released to the state or school district
- when a school district requests scores previously sent to its main office or vice versa

Official score reports for properly designated recipients are sent directly from ETS to ensure the authenticity of the reports. Note that whenever ETS has confirmed that you have submitted a ParaPro Assessment score directly to an educational institution, agency or district in satisfaction of one of its requirements, ETS will respond to requests for score verification from that recipient.

### **Test Takers' Performance Data**

Test takers' performance data may be used in analysis samples, score interpretation data, group statistics and research studies. In each instance, all identifying information will be removed.

These transfers are made in accordance with the acknowledgment you have given above and intercompany and third party transfer agreements, in accordance with applicable laws.

**Personal Information Retention:** Personal Information is generally held for 5 years from the date of its submission. This period may be extended by ETS if the score for the Testing Service you require remains valid for a longer period (which information is usually contained in your testing result information), if the Testing Service you have requested is being reviewed or if our legitimate interest in retaining your Personal Information remains in place.
